SYLUX SINK MIXER

The Sylux sink mixer collection combines elegance with top-notch performance, designed to enhance the aesthetics and functionality of modern kitchens. Each mixer is crafted from Stainless Steel 304 material to ensure durability and ease of use, making it the perfect addition to your kitchen space. With its sleek designs and reliable performance, Sylux sink mixers offer a blend of style and substance for every home.

KEY FEATURES:

STAINLESS STEEL 304 MATERIAL: Built to last with corrosion resistance and durability, perfect for daily kitchen use.

OPTIMUM FLOW CONTROL: Equipped with a 35mm cartridge for smooth and precise control, ensuring the best water flow and temperature management.

PRECISION CONTROL: Ergonomic handle design allows for effortless and accurate control over water temperature and flow, ensuring user comfort.

SOPHISTICATED FINISHES: Available in satin and gun grey finishes, offering a sleek and modern look to match any kitchen decor.

WATER-SAVING TECHNOLOGY: Advanced aerators provide efficient, splash-free water flow while conserving water.

LOW MAINTENANCE: Designed for easy cleaning and maintenance, ensuring that your mixer maintains its stylish appearance with minimal effort.
